

# Sabrina Carpenter, Eyes Wide Open

Everybody loves to tell me  
I was born an old soul  
Better keep my eyes wide open  
There's so much that I don't know  
Just another hotel room,  
Never felt so alone  
I think about my grand dad's eyes  
and they always send me home  
I can almost hear him now  
I gotta make him proud

I keep my eyes wide open,  
Let's this crown unbroken  
I'm about to make my way  
Heaven on me, keep my faith,  
My eyes wide open!

I can't see two steps ahead me  
When the fog comes rolling in  
I never thought I'll miss the rain,  
God knows how long it's been  
This dream burns inside of me  
And I can't just let it go  
There's still so much that I don't know

I keep my eyes wide open,  
Let's this crown unbroken  
I'm about to make my way  
Heaven on me, keep my faith,  
My eyes wide open!

Oh, I'll always have this moment  
I don't wanna miss a second  
'Cause it could all be gone in an instant  
Yeah, an instant.

I keep my eyes wide open,  
Let's this crown unbroken  
I'm about to make my way  
Heaven on me, keep my faith,  
My eyes wide open!  
I'm about to make my way  
Heaven on me, keep my faith,  
Keep my eyes wide open!
