

# Sabrina Claudio, Rumors [ft. ZAYN]

i heard that you want to be closer to me  
i heard that you said you've seen me in your dreams  
he said, she said, you like the way I smile  
he said, she said, you like my confidence and style  
he said, she said, you want to hold my hand  
and more, and more

all these rumors spreading around  
and I kinda like the way they sound  
all these rumors about you and me  
how can we make this a reality?

he said, she said, your body is a temple  
and I think I'd pray just for the sight of you  
deep thinking let me see inside of you  
I've been sinking, let me just confide you

he said, she said, you like the way I smile  
he said, she said, you like my confidence and style  
he said, she said, you want to hold my hand  
and more, and more

all these rumors spreading around  
and I kinda like the way they sound  
all these rumors about you and me  
how can we make this a reality?

he said, she said,  
he said, she said,

I like what I'm hearing  
so my attention you got tonight  
if you're half as good as you say you are  
let's stop wasting time  
now we can keep talking through everybody that's in this room  
or we can come face to face and find out if it's true

all these rumors spreading around  
and I kinda like the way they sound  
all these rumors about you and me  
how can we make this a reality?

he said, she said,  
he said, she said,  
he said, she said,  
he said, she said,
