

# Sade, All About Our Love

It's all about our love  
So shall it be forever, never ending

[1] - After all this time  
After all is said and done

We have seen some suffering, baby  
It has not always been perfect

[Repeat 1]

Darling we know it  
Whatever may come  
We can get through it  
As if it's just begun  
Oh, it's just begun

It's all about our love  
So shall it be forever, never ending  
Darling we know it

[Repeat 1]
