

# Sade, And I Miss You

Step off the train, walking down your street again  
Passed your door, but you don't live there anymore  
It's years since you've been there, and now you've disappeared somewhere  
To outta space, you've found some better place

(chorus):

And I miss you, like the deserts miss the rain  
And I miss you, oh, like the deserts miss the rain  
Could you be dead? You always were two steps ahead  
And everyone, would walk behind where you would run  
I look up at your house, I can almost hear you shout down to me, where I always used to be

(chorus):

And I miss you, like the deserts miss the rain  
And I miss you, like the deserts miss the rain  
Back on the train, I ask why did i come again?  
Can I confess? I've been hanging around your address  
Years have proved, to offer nothing since you've moved  
Now you're gone, I can't move on

(chorus):

And I miss you, like the deserts miss the rain  
And I miss you, yeah, like the deserts miss the rain, i miss you  
I step off the train, I'm walking down your street again  
Passed your door, but you don't live there anymore  
It's years since you've been there, and now you've disappeared somewhere  
To outta space, you've found some better place

(chorus):

And I miss you, like the deserts miss the rain  
And I miss you, yeah, like the deserts miss the rain, I miss you  
And I miss you, like the deserts miss the rain  
And I miss you, yeah, like the deserts miss the rain, deserts miss the rain  
(like the deserts miss the) like the deserts miss the rain  
like the deserts miss the rain  
And I miss you, yeah, like the deserts miss the rain  
And I miss you, like the deserts miss the rain
