

Sade, Cherry Pie

Got to find out what I meant to you
You're the one who broke my heart
Got to find out what I meant to you
You're the one who broke my heart
When I met you boy
You were as sweet as cherry pie
That smile in your eye
You were as wild as Friday night

I should have known
However hard you tried
Change would come and strangle it
It was bound to die

You were sweet as cherry pie
Wild as Friday night
Sweet as cherry pie
Wild as Friday night

Gotta find out what I meant to you
You're the one who broke my heart in two
Gotta find out what I meant to you
Oh Boy

Gotta find out what I meant to you
You're the one who broke my heart in two
Where were you just when I needed you

You gave me your soul
For at least a day
Listen boy there was a time
When I wanted you to stay

You knew the cost
It's you who's gonna pay
I'm stronger now I loved you then
I ask you anyway

You were sweet as cherry pie
Wild as Friday night
Sweet as cherry pie
Wild as Friday night

Gotta find out what I meant to you
You're the one who broke my heart in two
Where were you just when I needed you
Boy

Gotta find out what I meant to you
You're the one who broke my heart in two
Ooh I needed you

Baa do do do do, do do, baa do do do
Baa do do do do, baa do do do

Baa do do do do, do do, baa do do do
Baa do do do do, baa do do do

You were the only one you were the only one
You're a son of a gun
You were the only one you were the only one
Oh Boy, you broke my heart

Sweet as cherry pie

Sweet as cherry pie

Gotta find out what I meant to you
You're the one who broke my heart in two
Gotta find out what I meant to you
Oh Boy

Gotta find out what I meant to you
Where were you just when I needed you
Gotta find out what I meant to you
Boy

Doo doop doo doop
Doo doop doo doop
Doo doop doo doop
doo doo doop doop doop
doo doo doop doop doop
Where were you when I needed you

You were the only one you were the only one
ooh, son of a gun
You were the only one
I'm feeling stronger now I loved you then
So I ask you anyway

Gotta find out what I meant to you
(sweet as cherry pie) You broke my heart
(sweet as cherry pie)
Gotta find out what I meant to you
You tease me

You were the only one you were the only one
(as cherry pie)
Son of a gun
You were the only one you were the only one
