

# Sade, King Of Sorrow

I'm crying everyone's tears  
And there inside our private war  
I died the night before  
And all of these remnants of joy and disaster  
What am I suppose to do

I want to cook you a soup that warms your soul  
But nothing would change, nothing would change at all  
It's just a day that brings it all about  
Just another day and nothing's any good

The DJ's playing the same song  
I have so much to do  
I have to carry on  
I wonder if this grief will ever let me go  
I feel like I am the king of sorrow, yeah  
The king of sorrow

I suppose I could just walk away  
Will I disappoint my future if I stay  
It's just a day that brings it all about  
Just another day and nothing's any good

The DJ's playing the same song  
I have so much to do  
I have to carry on  
I wonder will this grief ever be gone  
Will it ever go  
I'm the king of sorrow, yeah  
The king of sorrow

I'm crying everyone's tears  
I have already paid for all my future sins  
There's nothing anyone  
Can say to take this away  
It's just another day and nothing's any good

I'm the king of sorrow, yeah  
King of sorrow  
I'm the king of sorrow, yeah  
King of sorrow

[Repeat above until fade]
