

# Sade, Kiss Of Life

There must have been an angel by my side  
Something heavenly led me to you  
Look at the sky  
It's the color of love  
There must have been an angel by my side  
Something heavenly came down from above  
He led me to you  
He led me to you  
He built a bridge to your heart  
All the way  
How many tons of love inside  
I can't say

When I was led to you  
I knew you were the one for me  
I swear the whole world could feel my heartbeat  
When I lay eyes on you  
Ay ay ay  
You wrapped me up in  
The color of love

You gave me the kiss of life  
Kiss of Life  
You gave me the kiss that's like  
The kiss of life

Wasn't it clear from the start  
Look the sky is full of love  
Yeah the sky is full of love  
He built a bridge to your heart  
All the way  
How many tons of love inside  
I can't say

You gave me the kiss of life  
Kiss of Life  
You gave me the kiss that's like  
The kiss of life

You gave me the kiss of life  
Kiss of Life  
You gave me the kiss that's like  
The kiss of life

You gave me the kiss of life  
Kiss of Life  
You gave me the kiss that's like  
The kiss of life

You wrapped me up in the color of love  
Must have been an angel come down from above  
Giving me love yeah  
Giving me love yeah

You gave me the kiss of life  
Kiss of Life  
You gave me the kiss of life  
The kiss of life
