

Sade, Lovers Rock

[1] - I am in the wilderness
You are in the music
In the man's car next to me
Somewhere in my sadness
I know I won't fall apart completely

[2] - When I need to be rescued
And I need a place to swim
I have a rock to cling to in the storm
When no one can hear me calling
I have you I can sing to

[3] - And in all this
And in all my life

[4] - You are the lovers rock
The rock that I cling to
You're the one
The one I swim to in a storm
Like a lovers rock

[Repeat 1]
[Repeat 3]
[Repeat 4]
[Repeat 4]

When I need to be rescued you're there
When I need a place to swim to in a storm
I sing to you
And all my life
And in all my life

[Repeat 4]
