Sade, Mr. Wrong

He don't care
Where he's been playing
He doesn't hear
A word she's saying
She's a fancy girl
So why's she staying
Hanging on for mr. wrong
He doesn't show her that he needs her
She doesn't know his love's a liar
She'a a fancy girl - got to be strong
Say so long - mr. wrong

Get out on your own girl Show him how You can be strong girl You don't need him now Run away, pretty girl Say so long - mr. wrong

Run away Bye bye
