

Sade, Why Can't We Live Together

Tell me why tell me why tell me why
Umm why can't we live together
Tell me why tell me
Umm why can't we live together
Everybody wants to live together
Why can't we be together

No more war no more war no more war
Umm just a little peace
No more war no more war all we want
Is some peace in this world

Everybody wants to live together
Why can't we be together

No matter no matter what color
Umm you are still my brother
I said no matter no matter what color
Umm you are still my brother

Everybody wants to live together
Why can't we be together

Everybody wants to live
Everybodys got to be together
Ooh everybody wants to live
Everybodys got to be together

Ooh Ooh laaa laa laa laa
Everybodys got to be together
Everybody wants to be together

I said no matter no matter what color
Umm you are still my brother
I said no matter no matter what color
You are still my brother

Everybody wants to live together
Why can't we be together

Goitta live together
Together!
