

# SAINt JHN, Roses

I walked in the corner whit the body  
screaming dolo  
never sold a bag  
but look lik a Pablo in a photo  
this gon' make 'em feel the way like Tony killed Manolo  
you already know thought  
you already know thought

I walked in the corner whit the money  
on my finger  
she might get it popping  
I might wife her for the winter  
I already know  
I already know  
niggas roses  
all I need is roses

turn up baby  
turn up  
when i turn it on  
you know how I get too lit when I it on  
can't handle my behavior when I turn it on  
too fast  
never ask  
if the life don't last  
done been through It all
