

# Sam Feldt, Hold Me Close (feat. Ella Henderson)

voices in my head sing  
lallalallalal  
voices in my head sing  
hold me innocently  
suddenly you're so damn quiet  
voices in my head still sing

and I think that I drank too much  
and it's Sunday morning  
you lay back like nothing in your head is throbbing  
it's too late  
so let's stay in bed and talk about nothing  
it's like paradise whit you

hold me close  
lalalalalalalalaa  
let's stay home  
lalalalalalalalaa  
I'll never leave you  
I wouldn't believe that I have to go  
hold me close  
hold me close

yeah /3x  
wanna hold you close  
yeah /3x  
hold me close  
hold me close

doorbell in my flat sings  
lalalalalala  
wonder who could that be  
now I am gonna let him take me  
nananananananna  
right where I should be now

and I think that I drank too much  
and it's Sunday morning  
you lay back like nothing in your head is throbbing  
it's too late  
so let's stay in bed and talk about nothing  
it's like paradise whit you

hold me close  
lalalalalalalalaa  
let's stay home  
lalalalalalalalaa  
I'll never leave you  
I wouldn't believe that I have to go  
hold me close  
hold me close

yeah /3x  
wanna hold you close  
yeah /3x  
hold me close  
hold me close
