

Sam Smith & Demi Lovato, I'm Ready

is a cold night in my bad
in the heat of a summer
I've been waiting patiently for a beautiful lover
he's not a cheater
a believer
his a worm, worm blooded achiever
is a cold night in my bad
in the heat of a summer

it's so hard when you're whit someone
your heart breaks and it ain't no fun
but I got to take this risk tonight

I'm Ready
I'm Ready
I'm Ready
I'm Ready
for someone to love me
I'm Ready
I'm Ready
I'm Ready
I'm Ready
for someone to love me
for someone to love me

it's a hot night in my head and a chill of the winter, no
I've been looking hard for a lover
disguised as a sinner
not a cheater
a redeemer
he's a cold, cold blooded defeater
it's a hot night in my head and a chill of the winter, no

it's so hard when you're whit someone
your heart breaks and it ain't no fun
but I got to take this risk tonight

I'm Ready
I'm Ready
I'm Ready
I'm Ready
for someone to love me
I'm Ready
I'm Ready
I'm Ready
I'm Ready
for someone to love me
for someone to love me

is a cold night in my bad
in the heat of a summer
no, I've been looking hard for a lover
disguised as a sinner

I'm Ready
I'm Ready
I'm Ready
I'm Ready
for someone to love me
I'm Ready
I'm Ready
I'm Ready
I'm Ready

for someone to love me
for someone to love me
