

Sam Smith, I Feel Love

it's so good
it's so good
it's so good
it's so good
it's so good
I'm in love
I'm in love
I'm in love
I'm in love
I'm in love
I feel love
I feel love
I feel love
I feel love
I feel love
I feel love
I feel love
I feel love

fall for free
fall for free
fall for free
fall for free
fall for free

you and me
you and me
you and me
you and me

I feel love
I feel love
I feel love
I feel love
I feel love
I feel love
I feel love
I feel love

i got you
i got you
i got you
i got you
i got you
what you do
what you do
what you do
what you do
what you do
I feel love
I feel love
I feel love
I feel love
I feel love
I feel love
I feel love
I feel love
