Samantha Cole, I'm By Your Side

Diane Warren

When you need a hand to hold
And no one is there for you
When you sepnd one too many nights
Out on your own
When you friends just let you down
I'll lift you up baby
I'll be around, darling

I'm by your side
Any time you're feeling lonely
I'm by your side
Just reach out your arms and hold me, hold me
I'm standing by to give you love
Call me and I'll come runnin', baby
I'll come runnin', runnin'

When troubles have found your heart
And worries weigh on your mind
And dark clouds hang over your soul
You're not alone
Like you shadow, I'll be there
And no matter when, baby
No matter where, darling

Reach for my hand
And I'll pull you through the pain
Keep you from the rain
Hold you and show you the love waiting
here for you

I'm standing by to give you love
Call me and I'll come runnin', baby
I'll come runnin', runnin'
I'll come runnin', baby
