

# sanah, Olivia Addams, Invisible Dress

I've been here for some time now  
And I know  
That I will  
Be forever in this place

But your voice it keeps me breathing  
Forgiving  
Believing  
Maybe someday it will change

And I'm looking into your eyes  
And their eyes  
And my eyes  
And I'm trying to be brave

But my soul is always  
Aching  
And breaking  
And shaking  
All my friends  
They've run away

Uuu oh no  
(Ooh) I'm invisible  
(Ooh) they don't see my face  
Don't see my face  
It stays the same

An invisible dress  
Carry my heart  
The way down low  
I feel like I drown  
An invisible heat  
Let me out, please  
I care about you  
You don't care about me

An invisible dress  
Carry my heart  
A way down low  
Feel like I drown  
An invisible heat  
Let me out, please  
I care about you  
You don't care about me  
You don't care about me

I look up into the sky now  
And I found  
That my eyes  
They're more blind every day  
Can you love me for who I am  
I'm trying  
To hide it  
The sadness on my face

oh no  
(Ooh) I'm invisible  
(Ooh) they don't see my face  
Don't see my face  
It stays the same

An invisible dress  
Carry my heart

The way down low  
Feel like I drown  
An invisible heat  
Let me out, please  
I care about you  
You don't care about me

An invisible dress  
Carry my heart  
The way down low  
Feel like I drown  
An invisible heat  
Let me out, please  
I care about you  
You don't care about me  
You don't care about me
