

Santigold, CAN'T GET ENOUGH OF MYSELF

I can't get enough of myself

If I wasn't me, I can be sure I wanna be
I'm pretty major and I'll sing it out loud
Living my life in a fantasy
Living my life in my melody
Hey mom maybe you'll see me now

I call what I see and if I judge my masterpiece
And my neighbours are the best people 'round
Living my life in a fantasy
Living my life in my melody
Hey mom maybe you'll see me now

All I wanna do is what I do well
Ain't a gambler but honey I'd put money on myself
All I wanna do is bottle it to sell
If my friend doesn't worry it's much better for your health

I can't get enough
All there's said it's true
I can't get enough of myself
I can't get enough
I don't know about you
But I can't get enough of myself

Ha ha mighty me at the party VIP
There's so much flavor for me on the buffet
Look at them, look at them liking me
Look at them, look at what sight to see
It's so hard, baby look at me now

Who now could it be, following the paparazzi
Wasn't she here now, baby buy her away
Look at them, look at them liking me
Look at them, look at what sight to see
It's so hard, baby look at me now

All I wanna do is what I do well
Ain't a gambler but honey I'd put money on myself
All I wanna do is bottle it to sell
If my friend doesn't worry it's much better for your health

I can't get enough
All there's said it's true
I can't get enough of myself
I can't get enough
I don't know about you
But I can't get enough of myself
I can't get enough
All there's said it's true
I can't get enough of myself
I can't get enough
I don't know about you
But I can't get enough of myself

Got me a ticket, I'm heating it up
My life's a party, I'm filling my cup
It's in the woah, it's in the ooh
I'll tell you that I can't get enough ooh
I want a Rolex keep turning it up
I keep on spending, I can't get enough
Saying to you I can't get enough

I can't get enough
All there's said it's true
I can't get enough of myself
I can't get enough
I don't know about you
But I can't get enough of myself
I can't get enough
All there's said it's true
I can't get enough of myself

I can't get enough
I don't know about you
But I can't get enough of myself
