

# Sara Egwu James, The Greatest Love of All

I believe the children are future  
Teach them well and let them lead the way  
Show them all the beauty they possess inside  
Give them a sense of pride to make it easier  
Let the children's laughter remind us how we used  
to be  
Everybody searching for a hero  
People need someone to look up to  
I never found anyone to fulfill my needs  
A lonely place to be  
So I learned to depend on me

I decided long ago, never to walk in anyone's  
shadows  
If I fail, if I succeed  
At least I live as I believe  
No matter what they take from me  
They can't take away my dignity  
Because the greatest love of all  
Is happening to me  
I found the greatest love of all  
Inside of me  
The greatest love of all  
Is easy to achieve  
Learning to love yourself  
It is the greatest love of all  
I believe the children are our future  
Teach them well and let them lead the way  
Show them all the beauty they possess inside  
Give them a sense of pride to make it easier  
Let the children's laughter remind us how we used  
to be

And if by chance, that special place  
That you've been dreaming of  
Leads you to a lonely place  
Find your strength in love
