

Sarah Brightman, Amigos Para Siempre

(Friends for life)

Sarah

I don't have to say

A word to you

You seem to know

Whatever mood

I'm going through

Feels as though

I've known you forever

Jos

You

Can look into my eyes and see

The way I feel

And how

The world is treating me

Maybe I have known you forever

both

Amigos para siempre

Means you'll always be my friend

Amics per sempre

Means a love that cannot end

Friends for life

Not just a summer or a spring

Amigos para siempre

I feel you near me

Even when we are apart

Just knowing you are in this world

Can warm my heart

Friends for life

Not just a summer or a spring

Amigos para siempre

Sarah

We share memories

I won't forget

And we'll share more,

My friend,

We haven't started yet

Something happens

When we're together

Jos

When

I look at you

I wonder why

There has to come

A time when we must say goodbye

I'm alive when we are together

both

Amigos para siempre

Means you'll always be my friend

Amics per sempre

Means a love that cannot end

Friends for life

Not just a summer or a spring

Amigos para siempre

I feel you near me

Even when we are apart

Just knowing you are in this world

Can warm my heart
Friends for life
Not just a summer or a spring
Amigos para siempre
