

Sarah Brightman, How Can Heaven Love Me?

Fell from the grace from heaven's prow
Listening as the abyss calls our name
Descending stars from golden clouds
Falling to the rage of angels
Bringer of light from on high
Bound to the earth, unable to fly

I don't know, How Can Heaven Love Me
You don't know, How Can Heaven Love Me

We loved in a time before the fall
Welcome to the arms of solitude
Beneath us the heat that hearts exude
Is this really heaven?
We'd fight with the gods for our dreams
When paradise falls, eternity screams!

I don't know, How Can Heaven Love Me
You don't know, How Can Heaven Love Me

Die Welt ein Tor
Zu tausend Wustern stumm und kalt
wer das verlor, was du verlorst
Macht nirgens halt

Crystalized as Starlight
We're lost in Paradise!

I don't know. . .
You don't know. . .
