Sarah Brightman, How Can Heaven Love You

Sarah brightman Fell from the grace of heaven's prow

Chris thompson Listening as the abyss calls our name

Sarah brightman Descending stars from golden clouds

Chris thompson Falling to the rage of angels

Sarah brightman Bringer of light from on high Bound to the earth and unable to fly...

Chris thompson
I don't know?
I don't know?
I don't know?
How can heaven love me

Sarah brightman You don't know? You don't know? You don't know? How can heaven love you

We loved in a time before the fall

Chris thompson Welcome to the arms of solitude

Sarah brightman Beneath us the heat that hearts exude

Chris thompson Is this really heaven?

Sarah brightman We'd fight with the gods for our dreams Where paradise falls eternity screams

Chris thompson
I don't know?
I don't know?
I don't know?
How can heaven love me

Sarah brightman You don't know? You don't know? You don't know? How can heaven love you

Chris thompson
Die welt ein tor
Zu tausend wsten stumm und kalt
Wer das verlor, was du verlorst
Macht nirgends halt
The world is a gate
To thousand deserts mutely and coldly
He is lost, which you lost

Stopped by nothing In my arm I shall hold

Sarah brightman Crystallized as starlight Lost in paradise

Chris thompson
I don't know?
I don't know?
I don't know?
How can heaven love me
I don't know...

How can heaven love me?
