

Sarah Brightman, It's Not The End Of The World

It's not the end of the world if I lose him.
It just might seem so tonight.
It's not the end of the world. It's a blessing.
Mustn't wait till it's too late.

Tell me I've done the right thing.

Well, I know that myself.

The older I get though the choosier I am, and somebody handsome and brilliant will be hard to find

That's my kind.

It's not the end of the world to take chances.

Standing still is no big thrill.

It's not the end of the world to chase rainbows.

I'll be fine when I find mine.

It's not the end of the world to move on.

It's not the end of the world till it's gone.
