

# Sarah Brightman, No Matter What

No matter what you do  
I'm on your side  
And if my point of view  
Is somewhat misty-eyed  
There's nothing clearer in my life  
Than what I wish and feel for you  
And that's a lot...  
No matter what  
No matter what you say  
You make me proud  
I love the funny way  
You stand out from the crowd  
It's my intention my invention  
Shows the world out there one day  
Just what we've got...  
No matter what  
Now some may say all fathers just exaggerate  
That ev'ry daughter's great?  
You are!  
And ev'ry daughter tends to say her father's tops  
She pulls out all the stops  
To praise him  
And quite rightly!  
No matter what you are  
We've come this far  
I hope I can't explain  
Exactly as you are  
This really is a case of father knowing best  
And daughter too!  
You're never strange  
Don't ever change  
You've all I've got  
No matter what.
