

Sarah Brightman, No One Like You

In your eyes are my secrets that I've never shown you
In my heart I feel I've always known you
In your arms there's a comfort that I never knew
You've what I've been waiting for
There's no one like you

Sure as the sunrise, pure as a prayer
You fashioned hope right out of thin air
Every dream I abandoned seems it could come true
I believe in miracles-
There's no one like you

Innocent as a newborn in a world so frightening
Seems as if my world's been struck by lightning
Every dream I abandoned seems it could come true
I believe in miracles
There's no one like you
