

Sarah Brightman, On The Nile

In my dreams I could be burning
Yellow with the sands of time
Through the heat I saw the shimmer
Heat of passion on my mind
Through your smile
On the Nile
Time is left for me reflecting
In the mirror of the Nile
Oooooooooooooo

Lalalalalalala
Through your smile
On the Nile
Time is left for me reflecting
In the mirror of the Nile
I will hold you with my smile
Secret passions on the Nile
