

# Sarah Brightman, Song Of Innocence

Empty of tenderness  
And empty of joy,  
Faraway from here,  
Faraway from you.

Nothing of more sadness  
Than my sighs,  
When the day comes  
That I must leave.

Song of innocence,  
You live always in my heart.  
You, the most sweet!  
You, the most tender!

It's the song  
That always says:  
In your spirit  
I will live forever
