

# Sarah Brightman, Surrender

No more wars to fight  
White flags fly tonight  
You are out of danger now  
Battle field is still  
Wild poppies on the hill  
Peace can only come when you surrender  
Here the tracers fly  
Lighting up the sky  
But I'll fight unto the end  
Let them send their armies  
I will never bend  
I won't see you now till I surrender  
I'll see you again when I surrender

Battle field is still  
Wild poppies on the hill  
Peace can only come when you surrender  
Here the tracers fly  
Lighting up the sky  
But I'll fight unto the end  
Let them send their armies  
I will never bend  
I won't see you now till I surrender  
I'll see you again when I surrender
