

# Sarah Brightman, The Last Man In My Life

I'm a lady when you kiss me,  
I'm a child when you are leaving,  
I'm a woman ev'ry time our bodies meet  
complete.

Long lost feelings stir inside me,  
used to think nights were for sleeping,  
being wanted is a thrill I never knew  
till you.

Now I'm alive, inside I'm glowing,  
I'm how I want to be,  
loving you I can be me,  
just me.

It's the first time when you touch me,  
now I long for rainy mornings,  
I am certain you're the last man in my life.

I'm a woman ev'ry time our bodies meet  
complete.

Long lost feelings stir inside me,  
used to think nights were for sleeping,  
being wanted is a thrill I never knew  
till you.

Now I'm alive, inside I'm glowing,  
I'm how I want to be,  
loving you I can be me,  
just me.

It's the first time when you touch me,  
now I long for rainy mornings,  
tell each other to find all we're looking for  
and more.

Found the rainbow I was after,  
no more dreams with one face missing,  
I am certain you're the last man in my life.
