

Savoy, MAN IN THE PARK

Hey, talk to the girl cause she's good

she's a litte misunderstood

talk to the girl cause she's good

Hey, talk to the man cause he knows,

just how the story goes

talk to the man that knows

And I think you'll find that what he says

dosen't seem that crazy

when you're in his head

and I think you'll see

that what he thinks,

makes a lot of sense

when you're on the brink

Hey, talk to the flower shop girl,

she's all alone in this world

talk to the flower girl

Hey, talk to the man in the park

he'll tell you he's lost the spark

talk to the man in the dark
