

# ScHoolboy Q, CHopstix (with Travis Scott)

Fly high, I'm too high  
Watch, splash, car, fast  
Dash, zoom, smooth, ooh  
Spend cash, glide by

Chopsticks, chopsticks, chopsticks (Yeah)  
I let 'em chop sticks, chop sticks, chop sticks (Alright)  
Chop, chop, chop, yeah (Ooh)  
Chop, chop, chop, chop (Ooh)  
Chopsticks, chopsticks, chopsticks (Yeah)  
Her legs chopsticks, chopsticks, chopsticks (Alright)  
Chop, chop, chop, yeah (Ooh)  
Chop, chop, chop, chop (Ooh, it's lit)

Ayy, I'm trippin' on you, I gotta have you  
I spend it on you, I might buy two  
Now get in my coupe  
I like her legs up like chopsticks  
Luxury in my optics  
Your ex-man's on the opp list  
I'm validated to pop shit  
I'm a high profile, hunnid mile, flex  
Flyin' down the aisle, blowin' loud, flex  
I got a bad habit with bad habits  
Beat the pussy up, stab at it  
Divin' in like I'm mad at it  
Secured the bag, I need all static (Ayy)

Chopsticks, chopsticks, chopsticks (Yeah)  
I let 'em chop sticks, chop sticks, chop sticks (Alright)  
Chop, chop, chop, yeah (Ooh)  
Chop, chop, chop, chop (Ooh)  
Chopsticks, chopsticks, chopsticks (Yeah)  
Her legs chopsticks, chopsticks, chopsticks (Alright)  
Chop, chop, chop, yeah (Ooh)  
Chop, chop, chop, chop (Ooh, it's lit)

I got 25 rolled up on my dresser  
25 bad ones in the function, can I stretch her?  
Who wanna get chose for the foreplay?  
Hop on the black rose on your b-day  
Make everybody fall for you jealous  
Bat wing on the ground to the PJ  
I say, "Bad bitch, bad bitch, five star, bad bitch"  
Got you on, whatever you want, gotta have it  
Fuck so good, that's talent  
I pray for you, now that's balance  
I run it up before the trial end  
They talkin' 'bout us, we wildin', we wildin' (Ayy)

Chopsticks, chopsticks, chopsticks (Yeah)  
I let 'em chop sticks, chop sticks, chop sticks (Alright)  
Chop, chop, chop, yeah (Ooh)  
Chop, chop, chop, chop (Ooh)  
Chopsticks, chopsticks, chopsticks (Yeah)  
Her legs chopsticks, chopsticks, chopsticks (Alright)  
Chop, chop, chop, yeah (Ooh)  
Chop, chop, chop, chop (Ooh, it's lit)
