

# Scooter, Call Me Ma?ana

Start in right  
Keep it up

Yeah, I used to say  
When we were starting up  
Now I represent  
It's still the busy job  
Ready to explore  
And check the microphone  
Now back on the floor  
I want to see you soon

Rockin' the business  
So come on and check this  
Get up tonight  
We gonna make it right

Call me Manana  
Manana

Yeah I've got some lyrics  
Some lyrics for ya  
Now I represent  
Since the day I saw ya  
Yes I'm the man  
Behind the mike  
Live and direct into your mind

Rockin' the business  
So come on and check this  
Get up tonight  
We gonna make it right

Call me Manana  
Mananaaaaaaaaaa!!!
