

Scooter, Marian

In a sea of faces, in a sea of doubt
In this cruel place your voice above the maelstrom
In the wake of this ship of fools I'm falling further down
If you can see me, Marian, reach out and take me home
I hear you calling Marian
Across the water, across the wave
I hear you calling Marian
Can you hear me calling you to
Save me, save me, save me from the
Grave..
Marian
Marian, there's a weight above me
And the pressure is all too strong
To breathe deep
Breathe long and hard
To take the water down and go to sleep
To sink still further
Beneath the fatal wave
Marian I think I'm drowning
This sea is killing me
I hear you calling Marian
Across the water, across the wave
I hear you calling Marian
Can you hear me calling you to
Save me, save me, save me from the
Grave..
Was ich kann und was ich knnte
Weiss ich gar nicht mehr
Gib mir wieder etwas schnes
Zieh mich aus dem meer
Ich hre dich rufen Marian
Kannst du mich schreien hren
Ich bin hier allein
Ich hre dich rufen Marian
Ohne deine hilfe verliere ich mich in diesem ort
Marian (x??)
