EVERYWHERE I GO
All those lady gonna touch me
And when I'm on the road
I always pop up at paparazzi
Did it for the fame
But always did it for a joy
Coz everywhere I go
They scream: Oi, Fucking oi!

All around the world you see my face on TV
And All around the world they want to be like HP
I've never played the game
I always be a bad boy
And everywhere I go
The scream: Oi, Fucking oi!

Yeah!

Oi, oi, oi
Fucking oi!
