

Selena Gomez, Back to You

took you like a shot
thought that I could chase you with the cold evening
let a couple years water down how I'm feeling about you
and every time we talk
every single word will talk to this moment
and I gotta convince myself I don't want it
even though I do

you could break my heart in two
but when it heals , it beats for you
I know its forward but it's true
I wanna hold you when I;m not supposed to
when I'm lying close to someone else
you're stuck in my head
and I can't get you out of it
if I could do it all again
I know I'd go back to you
I know I'd go back to you
I know I'd go back to you

I never got it right
playing and re-playing old conversations
overthinking every word and I hate it
cause it's not me
and what's the point of hiding
and everybody knows we got unfinished business
and I'd regret it
if I didn't say this isn't what it could be

you could break my heart in two
but when it heals , it beats for you
I know its forward but it's true
I wanna hold you when I;m not supposed to
when I'm lying close to someone else
you're stuck in my head
and I can't get you out of it
if I could do it all again
I know I'd go back to you
I know I'd go back to you
I know I'd go back to you
I go back to you
I go back to you
but I go back to you

you could break my heart in two
but when it heals , it beats for you
I know its forward but it's true
won't lie, I'd go back to you
you know, my thoughts are running loose
it's just a thing you make me do
and I could fight, but what's the use
I know I'd go back to you
I know I'd go back to you

I wanna hold you when I;m not supposed to
when I'm lying close to someone else
you're stuck in my head
and I can't get you out of it
if I could do it all again
I know I'd go back to you
I know I'd go back to you
I know I'd go back to you
