

# Selena Gomez, Bad Liar

I was walking down the street the other day  
Trying to distract myself  
Then I see your face  
Oh, you got someone else

Trying to play it cool  
Trying to make it disappear  
But just like the battle of Troy  
There's nothing subtle here

In my room there's a king size space  
Bigger than it used to be  
If you want you can rent that place  
Call me an amenity  
Even if it's in my dreams

Ooooh, you're talking all perfection out my mind  
Ooooh, every time I watch you serpentine

I'm trying /10x

Not to think about you  
No, no, no  
/2x

I'm trying /10x

Not to give it to you  
No, no, no  
Not to give it to you

All my feelings on fire  
Guess, I'm a bad liar

I see how your attention builds  
It's like looking in a mirror  
Your touch like a happy pill  
But still all we do is fear

What could possibly happen next?  
Can we focus on the love?  
Paint my kiss across your chest  
Be the art, I'll be the brush

You're thinking all perfection out my mine  
Every time I watch you serpentine

I'm trying /10x

Not to think about you  
No, no, no  
Not think about you  
/2x

I'm trying /10x

Not to give it to you  
No, no, no  
Not to give it to you

All my feelings on fire  
Guess, I'm a bad liar

And baby let's make reality

Actuality a reality  
/2x

I'm trying /10x

Not to think about you  
No, no, no  
Not to think about you  
/2x

I'm trying /10x

Not to give it to you  
No, no, no  
Not to give it to you

All my feelings on fire  
Guess, I'm a bad liar
