

# Selena Gomez, Brain Zapped

Mom always said that books could take you to another world  
But I don't think that this is what she meant  
(This is what she meant)  
I'm shuttling though  
These distant lands and ocean shores  
Don't really know where I'll go next  
Cuz I've been  
Brain Zapped  
Lets go explore  
Brain zapped  
To a whole new world  
Brain zapped  
Come be my guest  
Brain zapped  
Don't know where I'll go next  
My mind is spinning around  
Got all this knowledge  
Just wanna shout out  
Gotta get it  
Under control  
Cuz the light is green  
And we're ready to go  
Go  
Go  
Brain Zapped  
Lets go explore  
Brain zapped  
To a whole new world  
Brain zapped  
Come be my guest  
Brain zapped  
Don't know where I'll go next
