

Selena Gomez, Dance Again

happiness
ain't something you sit back and you wait for
confidence
is throwing your heart through every brick wall

I kick-start the rhythm
all the drama's in remission
no, I don't need permission

feels so /3x
good to dance again
feels so /3x
good to dance again
whit my emotions untwisted
I am going in
whit everything
to dance again
feels so /3x
good

vulnerable ain't easy
believe me
but I go there
it's like 10 feet tall
I'm high off the weigh off my shoulders

I kick-start the rhythm
all the trauma's in remission
no, I don't need permission

I kick-start my system
when I speak my body listens
I know what I am missing

feels so /3x
good to dance again
feels so /3x
good to dance again
whit my emotions untwisted
I am going in
whit everything
to dance again
feels so /3x
good

I am feeling
my again
feels so good to dance again
feels so feels so feels so good

happiness
ain't something you sit back and you wait for
feels so feels so feels so good
feels so good to dance again

feels so feels so feels so good
feels so good to dance again
whit my emotions untwisted
I am going in
whit everything
to dance again
feels so /3x
