Selena Gomez, Everything Is Not What It Seems

Well you know everything's gonna be a breeze that the end will no doubt justify the means You could fix any problem at the slightest ease Yes, please...

Well you might find out It'll go to your head When you write a report on a book you never read With the snap of your fingers you can make your bed That's what I said Everything is not what it seems

When you can get all you wanted in your wildest dreams

You might run into trouble if you go to extremes Because everything is not what it seems

Everything is not what it seems

When you can have what you want by the simplest of means

Be careful not to mess with the balance of things

Because everything is not what it seems
