

# Selena Gomez, Feel Me

no one love you like I love you  
never cheat never lie  
never put no one above you  
I gave you my space and time

now you're telling me you miss it  
and I am still on your mind  
we were one in a million  
and love is hard to find

do you stay up late?  
just so you don't dream?

every time you lips touch another  
i want you to feel me  
i want you to feel me  
every time you dance whit somebody  
i want you to feel me  
i want you to feel me

do your days get a little bit longer?  
nights get a little bit colder?  
heart beat a little bit louder?  
days get a little bit longer?  
nights get a little bit colder?  
heart beat a little bit louder?

when you're running  
who you run to?  
where do you go to hide?  
when she ain't giving you enough to  
get you through the night?

won't be caught up in the middle  
of your highs and your lows  
baby long as you're not whit me  
you'll always be alone

do you stay up late  
just so you don't dream?

every time you lips touch another  
i want you to feel me  
i want you to feel me  
every time you dance whit somebody  
i want you to feel me  
i want you to feel me

do your days get a little bit longer?  
nights get a little bit colder?  
heart beat a little bit louder?  
days get a little bit longer?  
nights get a little bit colder?  
heart beat a little bit louder?

fell me /6x

every time you lips touch another  
i want you to feel me  
i want you to feel me  
every time you dance whit somebody  
i want you to feel me  
i want you to feel me

do your days get a little bit longer?  
nights get a little bit colder?  
heart beat a little bit louder?  
days get a little bit longer?  
nights get a little bit colder?  
heart beat a little bit louder?
