

Selena Gomez, Fetish (ft. Gucci Mane)

Take it or leave it
Baby take it or leave it
But I know you won't leave it
Cause I know that you need it

Look in the mirror
When I look in the mirror
Baby I see it clearer
Why you wanna be nearer

I'm not surprised
I sympathize
I can't deny
Your appetite

You got a fetish for my love
I push you out and you come right back
Don't see a point in blaming you
If I were you I'd do me too

Reaching your limit
Say you're reaching your limit
Going over your limit
But I know you can't quite it

Something about me
Got you hooked on my body
Take you over and under and twisted up like origami

I'm not surprised
I sympathize
I can't deny
Your appetite

You got a fetish for my love
I push you out and you come right back
Don't see a point in blaming you
If I were you I'd do me too

Gucci:
The way you walk /2x
I blame you cuz its all your fault
You playing hard don't turn me off
You acting hard but I know you soft
You my fetish, I'm so with it
All these rumors being spreaded
Might as well go head and whip it
Cuz they saying we already did it
Call on Gucci if you ever need and I'll be South Beach in the drop top gleaming
Order diamonds, Aquafina
Just need you in a blue bikini

You got a fetish for my love
I push you out and you come right back
Don't see a point in blaming you
If I were you I'd do me too
