

Selena Gomez, If Cupid Had A Heart

Do do do do do do do do do do do do do do do do oh baby

If cupid had a heart, he would make you fall

You`d fall in love with me in no time at all

If cupid had a heart, he would hear my call

I want him to know - I`m wanting you so

Isn`t it crazy - I`m crazy for you

Temperature rising - and losing my cool

Only one problem - To you I`m a friend

How do I tell you - You`re my perfect ten

I have searched the skies above

Even tried the god of love

But he`s yet to hook me up with you

Chorus:

If cupid had a heart, he would make you fall

You`d fall in love with me in no time at all

If cupid had a heart, he would hear me call

I want him to know - I`m wanting you so

If cupid had a heart, he would surely throw

An arrow through your soul,

Ready aim and go

If cupid had a heart, you`d be mine I know

I need you to see I need you with me

Can`t ya see baby, or are you so blind

Ever since day one, it`s you on my mind

In a weak moment, I lost my defenses

Ever since you boy, I found all my senses

One way love can take a ride

Say you want me by your side

Night and day and night I think of you

(Repeat Chorus)

I could be so good for you

I could be your heaven, too ---

If we`d only cross the line

Where I`m yours and you are mine

I would love you all the way

For forever and a day

Don`t ya know, woh, oo woh
