

Selena Gomez, It Ain't Me (ft. Kygo)

I had a dream
We're sipping whisky neat
Highest floor, the brewery
And I was high enough
Somewhere along the lines
We stopped seeing eye to eye
You're staying out all night
And I had enough

No
I don't wanna know where you been or where you're going
But I know I won't be home
And you'll be on your own

Who's gonna walk you through
The dark side of the morning?
Who's gonna rock you
When the Sun won't let you sleep?
Who's waking up to drive you home
When you're drunk and all alone?
Who's gonna walk you through
The dark side of the morning?
It ain't me

It ain't me /3x

"I had a dream
We were back to 17
Summer nights and liberties
Never growing up"
I'll take with me the polaroids
And the memories
But you know
I'm gonna leave behind the worst of us

Who's gonna walk you through
The dark side of the morning?
Who's gonna rock you
When the Sun won't let you sleep?
Who's waking up to drive you home
When you're drunk and all alone?
Who's gonna walk you through
The dark side of the morning?
It ain't me

It ain't me
No, no
/3x

Who's gonna walk you through
The dark side of the morning?
It ain't me

It ain't me /2x
