

# Selena Gomez, That's How You Know

How does she know that you love her?  
How do you show her you love her?  
How does she know that you really, really, truly, love her?  
It's not enough to take the one you love for granted  
You must remind her or she'll be inclined to say  
How do I know, he loves me?  
How do I know, he's mine?  
Does he leave a little note to tell you, you are on his mind?  
Send you yellow flowers when the sky is gray?  
He'll find a new way to show you, a little bit everyday.  
That's how you know, that's how you know, he's your love.  
Everybody wants to live happily ever after  
Everybody wants to know true love is true  
How do you know, he loves you?  
How do you know, he's yours?  
Does he take you out dancing just so he can hold you close?  
Dedicate a song with words meant just for you?  
He'll find his own way to tell you, with the little things he'll do  
That's how you know, that's how you know, he's your love.  
He's your love  
How do you know?  
How do you know?  
How does she know you that love her?  
How do you show her you love her?  
How does she know that you really, really, truly, love her?  
That's how you know he's true  
Because he'll wear your favorite color just so he can match your eyes.  
Rent a private picnic by the fire glow, oh.  
His heart will be yours forever, something everyday will show  
That's how you know, that's how you know  
That's how you know, that's how you know, he's your love
