Selena Gomez, Wizards Of Waverly Place Tham

Well you know everything's gonna be a breeze At the end with no doubt just defy the means You can fix any problem with the slightest of ease Yes please When you never find it it'll go to your head

When you never find it it'll go to your head When you write a report on a book you never read With the snap of your fingers you can make your bed That's what I said Everything is not what it seems

When you can get all you wanted in your wildest dreams
You might run into trouble if you go to extremes

Because everything is not what it seems

Everything is not what it seems

When you can have all you want by the simplest of means

Be careful not to mess with the balance of things

Because everything is not... what it seems
