I've held this fire and I've walked through fire and it's burning outside ask for a feeling for a direction and it's burning inside I know of a temple holding a spirit holding a spirit I know of a story that ends with a question you're asking about me ask for a feeling for a direction AND IT'S BURNING INSIDE... I know of a temple holding a spirit holding a spirit I know of a story that ends with a question you're asking about me ask for a feeling for a direction ask for an energy ask for an energy to give me a feeling asking about me....
