

# Sergio Mendes, Festa

Tanta gente cansada, calada sem voz  
Sem rumo sem riso, sem vez  
Sem passado a lembrar  
Nem cano pra cantar  
Mas festa e a ordem do rei cantar  
E o canto calado sem voz  
Pensamento no tempo a voar

A rua em festa e em mim  
Todo mundo rodando a danar  
Eu na roda, na dana e voc  
Voc nem viu  
Mas mesmo assim fui feliz  
Fui criana na dana sem voc  
Com certeza o que bom pra dar  
No prometi

I can't wait  
I've been waiting so long for this night  
My songs they were meant for this night  
If I find you alone  
Then I'll know I was right

Take this time to remember  
That once we were one  
I can't take this time that you've gone  
Please remember that once we loved

The carnival started today  
And everyone lives for the sight  
The children will dance all the day  
And sing all night

Yes, the carnival started today  
My arms will be looking for you  
And maybe you'll reach for my hand  
And if you do.....

La, la, la, laia, la, la, la  
La, lai, ala...
