

Sergio Mendes, Summer Dream

Come with me
To the emerald sea
Where the sun is warm
And the wind is free
I'll show you an island in the stream
Where nobody else has been
We'll live in a shining summer dream
And summer will last forever

Live with me
By the emerald sea
In the wonder of
Our unending love
Two lovers together on the sand
Blue shadows forever hand in hand
Alone in a timeless wonderland
Come with me and share my summer dream

Live with me
By the emerald sea
I the wonder of
Our unending love
Two lovers together on the sand
Blue shadows forever hand in hand
Alone in a timeless wonderland
Come with me and share my summer dream

I'll show you hidden treasures
Secret and forbidden pleasures
While the seabirds flying high above
Tell a story of love
To the music of
The wind and the waves, come...

Come with me
Come with me
Come with me...
