

# SEVDALIZA, JOANNA

Evil personified  
She preys on the dead  
Desert woman  
Veiled in silence  
I was so wrong  
Shame invaded truth  
I knew nothing  
My eyes failed to ruin  
Her illuminate reflection

Joanna, please stop loving me  
I am too sensitive  
Joanna, darling lift my spell  
I dream in broken images  
Joanna, whit your folded cards  
The narcissist woman  
Joanna, courteous clairvoyant  
Please stop ruining me woman
