

Seven Mary Three, Kater

it is no escape of his
emerging on a tender age
just to say that she wants him
and her nakedness is not
an invitation to her bed at night
she sleeps that way all the time
hes wanting just to say:
would you listen up
and give half a chance to this young man?
and shes wanting just to say
can you break down all the barriers
walled up around me?
and the worst thing he could do
is leave when she asks him to
then theyre equally alone
if youre wanting just to know,
storybook, love letter is he writing still?
hes been with her for many years
and shes wanting to just explain
well my nakedness is not
an invitation to this bed
chorus
and the games she plays at night
are nothing like shes ever known
because she knows how to throw a look
knowing just what to say
he shows up 4 a.m. and drunk
hey roll over youre in my way
just one more work before he goes
im not here as a man, im here as a girl
i didnt come here to get laid
im just here to help you
why are you so afraid?
casey the madison king
hed do anything for that little girl
