

# Shakira, DON'T WAIT UP

Do you remember how we lit up the room?  
And how you felt before you met all my different moods?  
But now I drive you mad when I hit you with the truth

Don't let your mind think  
It's someone else  
someone else  
i need to do something for myself

don't wait up  
don't wait up up up up up  
don't wait up  
don't wait up  
don't be afraid if it gets late  
you'll survive  
it's just one night  
don't wait up  
don't wait up up up up

why won't you put down your phone  
and look me in the eye?  
Got all dressed up for you  
But you seem so occupied  
Maybe space is all it takes  
It's time to fix us

Don't let your mind think  
It's someone else  
someone else  
i need to do something for myself

don't wait up  
don't wait up up up up up  
don't wait up  
don't wait up  
don't be afraid if it gets late  
you'll survive  
it's just one night  
don't wait up  
don't wait up up up up

first i kissed you  
then i got mad at you  
cause i wish i'd be happy without you  
if i ditch you  
then maybe you would understand  
then maybe you would understand

i need to do something for myself

don't wait up  
don't wait up up up up up  
don't wait up  
don't wait up  
don't be afraid if it gets late  
you'll survive  
it's just one night  
don't wait up  
don't wait up up up up
